Boulder, Colorado – July 18, 2024 – The Colorado Chautauqua Association proudly presents the free and bilingual fourth annual Festival Del Sol on Sunday, September 22 from 12pm-5pm at Chautauqua. The festival celebrates Colorado’s Latino community and their many contributions to the social and economic vitality of the region; including its art, culture, entertainment, and food. Festival Del Sol is a popular “block party” family event during Hispanic Heritage Month with an estimated 4,000 people in attendance in 2023.

In addition to live music, dance, children’s activities, retail vendors, and food trucks, this year’s Festival Del Sol will also include guided hikes, salsa, samba, and bachata dance classes, and a beer garden.
