Note: Community members may serve on CCA committees for a maximum of two three-year terms. Members are selected for a second term based on recommendations from Committee Chairs, with final approval by the Executive Committee. Prospective committee members are assessed on whether their area of expertise is needed on an existing board committee and whether they exhibit potential for becoming a valued member of the Board of Directors.

If you have any questions about this process, please contact Trudy Turvey, Chair of the CCA Governance Committee, at trudyturveypt@gmail.com.
